

BUILDING SAFETY CERTIFICATE

No.: जाबकु 221

Date: 15/07/26

This is to certify that the school building of St. George's Convent High School, Akodiya Road, Sarangpur, District Rajgarh (M.P.), was inspected at site on 12/07/2026, in the presence of Father Binoy Jacob.

Based on the visual site inspection and observations made at the time of inspection, the building was observed to be in conformity with the applicable building safety requirements of the National Building Code.

The details of the building blocks inspected are as follows:

Particulars	Block 1	Block 2
Number of Floors	Ground + First Floor	Ground + First Floor

Based on the aforesaid inspection and observations, the said school building premises are considered fit for occupancy for running the school with effect from 15/07/2026 for a period of one year, subject to continued compliance with the specific conditions appended herewith.

During the validity period of this certificate, periodic maintenance and upkeep of the building shall be ensured by the concerned school institution, including civil, electrical and fire-safety related maintenance and other building services. Such maintenance shall be carried out at specified or appropriate intervals, as per the general maintenance procedures and applicable provisions/guidelines of the National Building Code and other relevant requirements.

Any defect, damage, deterioration or unsafe condition noticed subsequently shall be promptly attended to by the concerned school institution and shall be brought to the notice of the certificate-issuing authority for appropriate action, wherever required.

This certificate is issued on the basis of the site inspection and observations made at the time of inspection.
